## STOCK PHOTOGRAPHY LIST

Our files are constantly being updated, so if you are unable to find a particular subject in this stock list, please feel free to contact us and we can create a lightbox for your review. Visit our searchable web site at: [www.mondragonphoto.com](http://www.mondragonphoto.com).

- Abalone
  - Pink Abalone
  - Pinto Abalone
- Africa
- African Wildlife
- Alaska
- Algae (marine)
  - most west coast species
- American Alligators
- Anacapa Island, CA
- Anadromous fish
- Anemones
  - Aggregating Anemone
  - Clubbed-tipped Anemone
  - Crimson Anemone
  - Giant Green Anemone
  - Painted Urticina Anemone
  - Proliferating Anemone
  - Stubby Rose Anemone
  - Tube-Dwelling Anemone
  - White-Plumed Anemone
  - White-Spotted Rose Anemone
  - Yellow Zoanthid Anemone
  - Other Anemones
- Angelfish
- Annelids
- Apes
- Arachnids
- Archeologists
- Arthropods
- Aurora Borealis
- Australia
- Bald Eagles
- Barracuda
- Basket stars
- Bat Rays
- Bears, brown/grizzly
- Belize, Central America:  
(underwater)
- Belugas Whales
- Big Horn Sheep
- Biologists working
- Biomes
  - Coniferous Forest (Taiga)
  - Desert
  - Polar/High Mountain Ice
  - Savanna
  - Temperate Deciduous Forest
  - Temperate Grassland
  - Tundra
- Birds
  - Bald Eagles
  - Toucans
  - Jabiru Stork (endangered)
  - Gulls ("sea gulls")
  - Tufted Puffins
  - Hérons
  - Oyster Catchers
  - Others
- Bison
- Blue Sharks
- Blue Whales
- Bony Fishes
- Bottlenose Dolphins
- Brachiopods
- Brain Coral
- British Columbia, Canada
- Brittle Stars
- Bryozoans
- Buffalo (African)
  - see bison
- Bull Kelp
- California
- Caiman
  - Broad-snouted Caiman
- Camouflage
- Channel Islands National Park
- Carnivores
- Cartilaginous Fishes
- Cephalopods
- Cheetahs
- Chinook Salmon
- Chitons
- Chordates
- Christmas Tree Worms
- Clear Cuts
- Clown fish
- Cnidarians
- Commensalism
- Common Dolphins
- Competition
- Coniferous forests
- Coral Reefs
- Corals
- Cougars
- Coyote
- Crabs
  - Alaskan King Crab
  - Tanner Crab
  - Hermit Crabs
  - Others
- Crocodiles
  - Cuban Crocodiles
  - Dwarf Crocodiles
  - Morelet's Crocodiles
  - Orinoco Crocodiles
  - Siamese Crocodiles
- Crustaceans

## STOCK LIST

Cuttlefish	Fishing Boats	Kelp Forests
Dall Sheep	Forests	Kelp
Damselfish	Food chains/webs	Most west coast species
Dangerous Marinelife	Fox (red)	Kelpfish
Deer	Frogfish	Keystone Species
Defense Mechanisms	Garibaldi: juvenile & adult	Killer Whales
Deserts	Gastropods	Kokanee salmon
Dolphins	Gazelle (Grant's)	Landscapes
Bottlenose Dolphins	Giant Barrel Sponge	Leopard Sharks
Common Dolphins	Giant Kelp	Lighthouses
Orcas ("Killer Whales")	Giant Sea Bass	Lions
Risso's Dolphins	Giraffes	Adult Male
Spotted Dolphins	Glaciers	Adult Female
Echinoderms	Glacier Bay National Park	Cubs
Ecosystems	Gobys	Pride
Desert	Gorgonians	Lionfish
Estuary	Grazing/Grazers	Lobsters
Grassland	Grouper	Malaysia
Intertidal	Grunts	Mammals
Kelp Forest	Gulls	Manatees
Mangroves	Halibut: California	Manta Rays
Wetland	Hang Gliders	Marine Algae
Savanna	Hard Corals	Marine Biologist Working
Subtidal	Herbivores	Marine Mammals
Temperate Rain Forest	Hermit Crabs	Dolphins
Others	Several species	Manatees
Eels	Hippopotamus	Seals
Elephant (African)	Horn Sharks	Sea Lions
Elephant Seals	Humpback Whales	Whales
Elk Kelp	underwater and topside	Migration
Elk: Tule, Roosevelt, Rocky Mtn.	Hydroids	Salmon
Endemic Species	Hyena (spotted)	Wildebeest
Endothermic animals	Icebergs	Candlefish
(warm-blooded)	Impala	Others
Erosion	Inland Passage	Molluscs
Estuaries	Insects	Monkeys
Exothermic animals	Intertidal Region	Moonrise
(cold-blooded)	Invertebrates	Moose
Fall Colors	hundreds of species	Moraine
Filter Feeding	Jackal (Golden)	Moray Eels
Fire Coral	Jellyfish	many species
Fish Traps (underwater)	Several Species	Mule Deer
Fish	Juniper Trees	Musk Ox
temperate & tropical species	Katmai National Park (outer coast)	Mutualism

## STOCK LIST

Native Art of Pacific Northwest	Atlantic Torpedo ray	Scientists Working
Nesting	Atlantic Sting ray	Scorpionfish
Birds	Bat ray	Screech Owls: western
Fishes	Manta ray	Scuba Divers
Nonvascular plants	Redwoods	Sea Anemones (see anemones)
Northern Lights (Aurora Borealis)	Remoras	Seabirds
Nuclear Power Plants	Reproduction	Gulls
Nudibranchs	Sexual	Pelicans
Many species	Asexual	Puffins
Ocean Sunfish	Reptiles	Others
Ocelots	Riparian areas	Sea Cucumbers
Octopus	Risso's dolphin	Sea Fans
Giant Pacific	Rivers	Common
Common Reef	Roatan, Honduras	Deepwater
Omnivores	Rockfish	Sea Gulls
Orcas	MANY species	Eggs hatching
Oregon coast	Sabellid Worms	Chicks
Owls	Sailboats	Adults
Western screech	Salmon (see also steelhead)	Seals
Burrowing	Chinook ("king") Salmon	Northern Elephant Seals
Pacific Northwest	Adults	Gray Seals
Palm Trees	Parr	Harbor Seals
Para-gliding	Coho ("silver") Salmon	New Zealand Fur Seals
Parasitism	Adults	Sea Lions
Parrotfish	Eggs	California Sea Lions
Patterns in Nature	Alevin	Steller Sea Lions
Pica (collared)	Fry	Sea Otters
Pinnipeds	Pink ("humpy") Salmon	Sea Turtles
Point Reyes National Seashore	Adults	Green Sea Turtles
Pongas	Sockeye ("red") Salmon	Adults
Porifera	Adults	Adults Nesting
Predation	Kokanee Salmon	Eggs
Prey	Adults	Babies
Primary producers	Chum ("dog") Salmon	Hawksbill Sea Turtles
Primates	Adults	Adults
Puffin	Alevin	Loggerhead Sea Turtles
Tufted Puffins	Fry	Babies
Horned Puffins	San Clemente Island, CA	Seascapes
Puget Sound, WA	San Juan Island, WA	Sea Stacks of Oregon Coast
Pumas	San Miguel Island, CA	Sea Stars
Rainbows	Santa Barbara Island, CA	numerous species
Rain Forests	Santa Cruz Island, CA	Sea Urchins
Rays	Santa Rosa Island, CA	Red Sea Urchins
	Scenics

## STOCK LIST

Purple Sea Urchins	Steelhead Trout (see salmon)	Adults Nesting
Green Sea Urchins	Eggs	Eggs
Seaweeds	Fry	Babies
over 100 species	Streams	Hawksbill Sea Turtle
Serpulid Worms	Subtidal Region	Adults
Shark Eggs	Succession	Loggerhead Sea Turtle
Sharks	Sunrises	Babies
Blue Sharks	Sunsets	Pond Slider Turtle
Blacktip Sharks	Surfperch	Underwater Photographers
Bull Sharks	Suspension Feeding	Underwater Scenics
Caribbean Reef Sharks	Symbiosis	Vancouver Island, Canada
Chain Dogfish Sharks	Commensalism	Vascular Plants
Galápagos Sharks	Mutualism	Vase Sponges
Gray Reef Sharks	Parasitism	Vertebrates
Great White Sharks	Temperate forests	Wallabies
Horn Sharks	Totem Poles	Walrus
Lemon Sharks	Treefish: juvenile & adult	Waterfalls
Leopard Sharks	Trophic Levels	Watersheds
Mako Sharks	Photosynthesizers	West Coast Marine Life
Nurse Sharks	Herbivores	(LARGE selection)
Silvertip Sharks	Primary Carnivores	Wetlands
Sixgill Sharks	Secondary Carnivores	Whales
Spiny Dogfish Sharks	Omnivores	Blue Whales
Swell Sharks	Detritivores (Decomposers)	Belugas Whales
Tiger Sharks	Tropical Beaches	Gray Whales
Whitetip Reef Sharks	Tropical Fish	Humpback Whales
Zebra Sharks	Tropical Islands	Orcas Whales
Sheephead: juvenile & adult	Trout	Pilot Whales
Shipwrecks: underwater	Cutthroat Trout	Wildebeest
Shrimp	Dolly Varden Trout	Winter Scenes
Smolt	Rainbow Trout	Wolf-eels
Snook	Steelhead Trout	Wood Bison
Soft Corals	Tube Worms	Zebra (Grant's)
Spawning	Tunicates	Zonation (intertidal)
Salmon	Turtles	
Herring Eggs	Green Sea Turtle	
Sponges	Adults	
Many species		
Spotted Dolphins		
Starfish		
Many species
